

CRAFT

EXECUTIVE

Mission

CRAFT Executive provides an essential road map to success for any nonprofit leaders who seek to build the next generation of high-impact organizations.

Professional Development

CRAFT Executive will offer multi-week "CRAFT Institutes" that support nonprofit leaders within the early childhood education sector that are seeking to deepen their understanding of the social sector infrastructure, inspire a new generation of leaders that are knowledgeable about fundraising and grants, as well as inform the way we think about, talk about, and support Associations.

CRAFT Institutes

- Small Business (12 Hours)
- Board Leadership
- Business Credit
- Grant writing Support

Community of Practice Model

CRAFT Executive members meet quarterly about subjects related to grant writing tips and ways to win more grants. Each member will have networking opportunities and required reading to strengthen each members skill and knowledge.
